Product Video Tab Extension For Magento

Configuration:

Step 1: Login to Magento admin and you will see the "black vertical block" which is present on left side of admin.

Go to admin -> stores -> configuration

Step: 2: Now click on ESTS where we will find ProductVideoTab module.

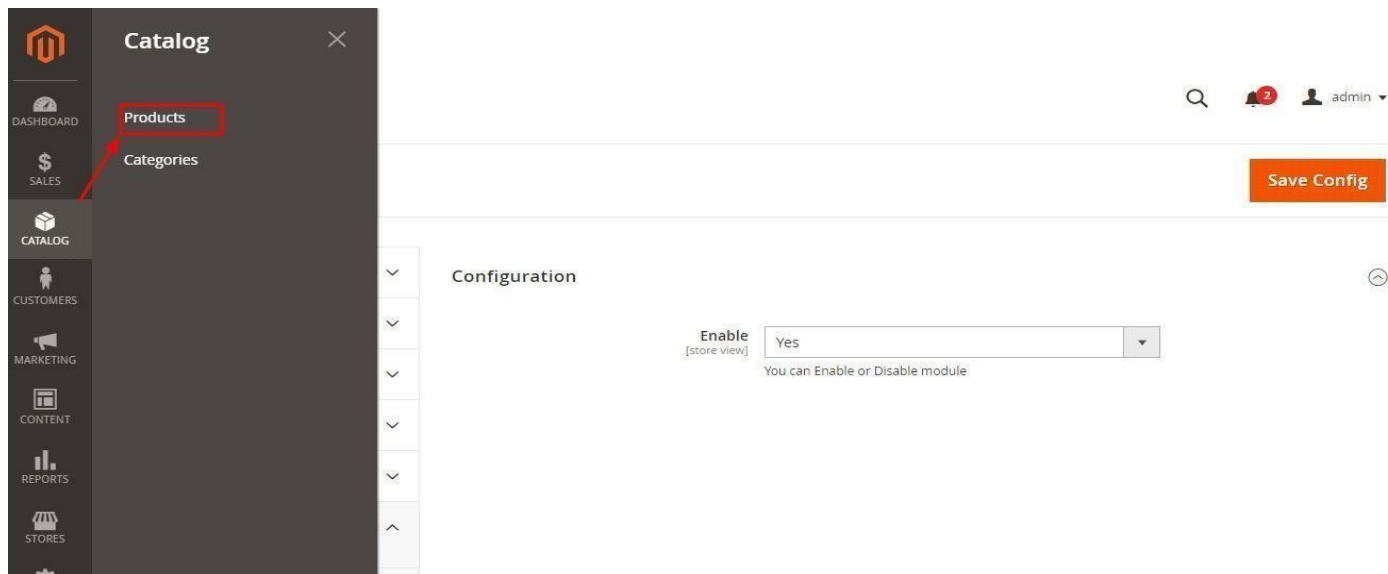

Product Video Tab Extension For Magento

Step: 3: Now It's time to configure our extension by clicking on ProductVideoTab module and selecting yes or no for enabling or disabling module then save the configuration .

The screenshot shows the Magento configuration interface. At the top, there is a 'Configuration' header and a 'Save Config' button. On the left, a sidebar lists various configuration categories: ESTS, ProductVideoTab, GENERAL, SECURITY, CATALOG, CUSTOMERS, and SALES. The 'ProductVideoTab' category is selected. The main content area shows the 'Enable' dropdown menu set to 'Yes' with the text 'You can Enable or Disable module' below it. A red box highlights the 'Enable' dropdown and the 'Save Config' button.

Step: 3: Go to CATALOG => Products.

The screenshot shows the Magento Catalog page. On the left, a sidebar lists various catalog categories: DASHBOARD, SALES, CATALOG, CUSTOMERS, MARKETING, CONTENT, REPORTS, and STORES. The 'CATALOG' category is selected, and the 'Products' link is highlighted with a red box. The main content area shows the 'Configuration' section with the 'Enable' dropdown menu set to 'Yes' and the text 'You can Enable or Disable module' below it. A red box highlights the 'Products' link and the 'Save Config' button.

Click on Products ,we will find the list of products . Now select the product for which you want to add video .

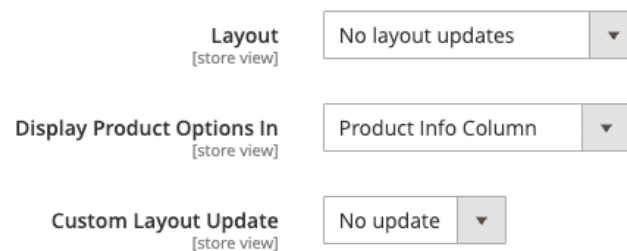

Product Video Tab Extension For Magento

Step: 4: We will find the Video Tab here. Click on the Video Tab and fill the details about the video such as video title, video URL, and video description.

Step: 5: Now go to the Design Tab.

Design
