Introduction:

Delete Customer Account Extension helps customer can delete account himself and also customer can delete default address from customer dashboard and address book.

Default Magento does not provide functionality for deleting customer and default address by customer

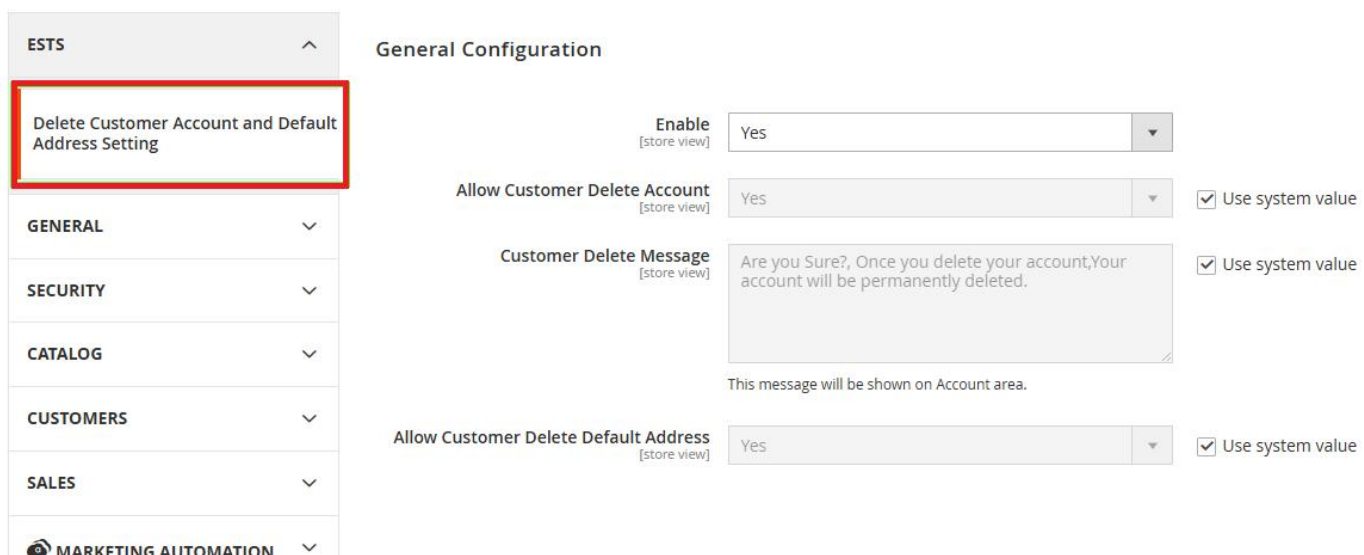

Features:

1. Admin can Enable/Disable from setting.
2. Customer can delete account by himself .
3. Customer can delete default address by himself
4. Easy to install and easy to set up.
5. Standard Magento code functionality
6. User-friendly and not make a conflict with other extensions.

Configuration:

Step 1: Login to Magento admin and Go to Store->Configuration section you will see the “Ests” tab in the left menu.

Step 2: Click to Delete Customer Account and Default Address Setting:

The screenshot shows the Magento Configuration page under the 'ESTS' tab. The left sidebar lists various configuration sections: ESTS, GENERAL, SECURITY, CATALOG, CUSTOMERS, SALES, and MARKETING AUTOMATION. The 'ESTS' tab is selected, and the 'Delete Customer Account and Default Address Setting' option is highlighted with a red box. The main content area displays the 'General Configuration' settings for this feature. The settings include:

- Enable** (store view): A dropdown menu set to 'Yes'.
- Allow Customer Delete Account** (store view): A dropdown menu set to 'Yes', with a checkbox for 'Use system value' checked.
- Customer Delete Message** (store view): A text area containing the message 'Are you Sure?, Once you delete your account,Your account will be permanently deleted.', with a checkbox for 'Use system value' checked.
- Allow Customer Delete Default Address** (store view): A dropdown menu set to 'Yes', with a checkbox for 'Use system value' checked.

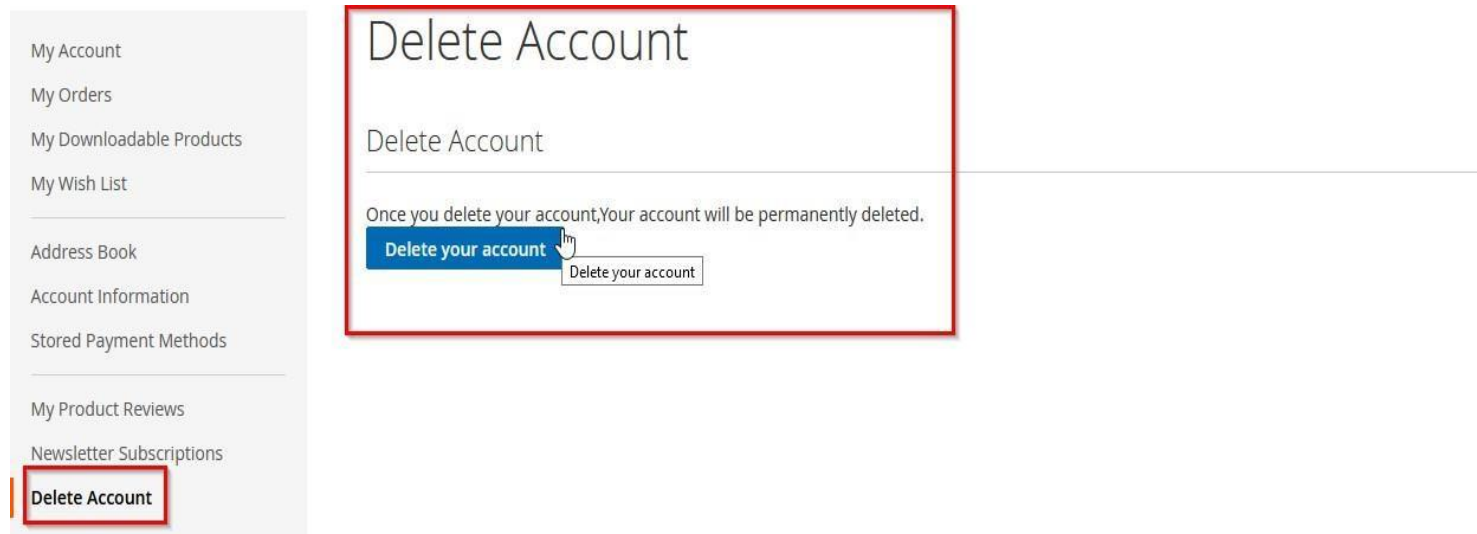

Below the message text area, it states: 'This message will be shown on Account area.'

- Enable /Disable
- Allow customer delete Account by Yes/NO option
- Show customer delete message on delete account section
- Allow customer delete default address by Yes/NO option

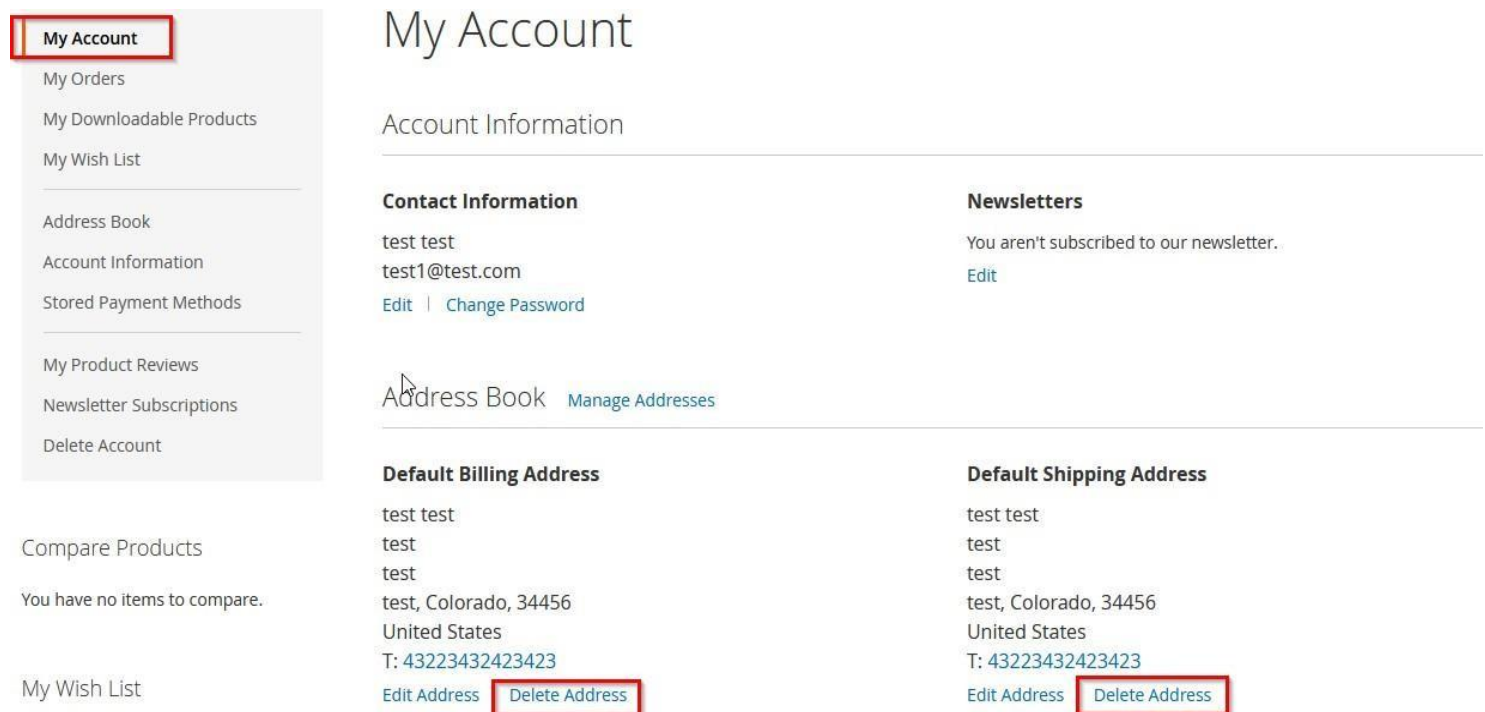

Step: 3 Save configuration.
